

SIDES FOR: ALICE & GRACE

ALICE

So, what's your game?

GRACE

Excuse me?

ALICE

You. Why are you playing with my brother's emotions. We both know you aren't going to stop going steady with Kurt to see Thomas.

GRACE

I'm not sure what you mean. Thomas and I are just friends. Just Friends.

ALICE

Well, I don't think he knows that.

GRACE

We've been friends for years – he know's that there isn't anything more than that.

ALICE

Well, you seem to lead him on a lot then. I've seen the two of you, sharing sodas down by the river. Swinging on the tire swings. To someone looking in from the outside – you're going steady.

GRACE

Oh... wow. I've never really thought about how we might look. Thomas is one of the only people I feel like I can really talk to without being judged.

ALICE

Gross. I don't really care about how you feel. I just want to let you know that there's only one person that is allowed to hurt my little brother, and that's me. That's what big sisters do.
