

SIDES FOR: FREDERICK GANZ & GENERAL MUELLER

(No German accents)

FREDERICK

Hmmm... how is the Fuhrer doing?
Any news on his visit this winter?

MUELLER

He's doing very well, thanks to you and
Himmler's little tricks. I'd be interested in
sampling some of the... Zauber sometime.
If it makes me younger too.

FREDERICK

I'd arrange it if I could. Unfortunately those
are secrets held tightly within the Order.

Frederick sits behind his desk.

MUELLER

Humph. Secrets that almost got out last night.

FREDERICK

Not to worry. We captured the spy. He has
proven to be most useful. It seems that he
has some latent ability to use the Vril.

MUELLER

Interesting as that is, what are you doing
about the rebels? This "Resistance" seems
better organized than the others.

FREDERICK

Like I said, not to worry. Everyday we get
closer to smashing this one down too.

MUELLER

You'd better hope so Obergruppenfuher...
for your sake.
