

## SIDES FOR: NINA & EVELYN

NINA is an Executive Assistant to General Ganz, the most powerful man in the south. His wife EVELYN is the most powerful woman in the south. Nina is new to the job.

NINA

Good Morning Mrs. Ganz. Mr. Ganz is –  
Ma'am you can't go in there.

EVELYN

Of course I can.

NINA

No. I'm sorry Ma'am, he's in a meeting.

EVELYN

I'm sure that is what he has you telling everyone,  
but I know my husband. He never does meetings  
just before lunch.

Nina keeps moving to block her.

EVELYN (cont)

Look, I know you're new, so I'm going to give  
you some advice. 1. Don't do that with your hair,  
it makes you look like a harlot. 2. Never, and I mean  
never get in my way.

Nina stands firm.

EVELYN

You're still in my way.

NINA

I'm sorry Ma'am.

EVELYN

Who is he supposedly in there with?

NINA

The Oberstgruppenfuhrer.

EVELYN

Charles? I didn't know he was in town. I adore him.

NINA

I'm sorry Ma'am. My instructions are that  
they are not to be disturbed. To include by you.
