

## SIDES FOR: ODESSA – MARION

MARION

So, you're alright? No permanent injuries?

ODESSA

Alright? Honey, that was my kind of Saturday night! The boys were fun. Takes a lot to hurt me. When do we really get to start? A real mission?

MARION

Soon. You need to train first, learn how to run a mission before we just let you go on your own.

ODESSA (flirty)

Sounds like we need to get together then...to... train.

---

ODESSA

I'm ready for my training.

MARION

Um, yeah. Not tonight. We can start in a few days.

ODESSA

A few days? Oh, sweetie, I'm here now.

MARION

It's not a good time.

ODESSA

Well, then we need to make it one. (laughs)  
What's wrong with you?

MARION

I just need to be alone for a while.

ODESSA

No, you don't.

Odessa tries to kiss Marion.

MARION

I can't do this right now.

ODESSA

Hey. You owe me... I want this.

She gives Marion a tiny kiss.

ODESSA (whispers)

I want you.

She kisses her again, longer this time. Marion pulls away.

MARION

I wish I could explain it –

ODESSA

Whatever it is, it doesn't matter anymore.

Odessa takes off her coat, revealing herself.

ODESSA (cont)

I'm here.

Marion kisses her.
