

SIDES FOR: SANDRA – GRANDPA

SANDRA

I'm not sure why I'm here. Sorry.

GRANDPA

Sorry Schmorry. You're here and I'm happy to see you. Your mother says you're having bad dreams. Tell me about them.

SANDRA

They're nothing. Really.

GRANDPA

Oh, they're dirty sexual dreams.

SANDRA

What? No! They're nothing like that.

GRANDPA

Good! I didn't really want to hear about those kinds of things anyway. So. Talk to me.

SANDRA

I don't know. I keep dreaming about this guy. He keeps following me from the shadows. I can never see his face, but ... I can feel him.

He looks at her with a "sure it's not a dirty dream" look.

SANDRA (cont)

Not like that. I just - can feel him. Like really feel him. His touch burns me. And there are these balls of light that show up out of nowhere. And I dream of things that sometimes happen. I'm crazy. Ok?

GRANDPA

Tell me about the lights. What do they look like?

SANDRA

The little balls of light? Um... small enough to fit in my hand.

GRANDPA

And inside of them?

SANDRA

Umm... I don't know. One has a symbol or letter inside. Maybe an "N" or a "%" sign. The others are just light.

GRANDPA

An Alef sign. Oy vay.
