

## **SIDES FOR: SANDRA – JOYCE**

SANDRA

Mom, they're just dreams. Dark, twisted dreams, but nothing to become flustered over.

JOYCE

If you say so.

SANDRA

Wait. I know this place. Why are we here?

JOYCE

I... I just think you need to talk to someone.

SANDRA

Grandpa? Mom, we haven't seen him since I was a little girl. You wouldn't let me see him. Why now?

JOYCE

I can't. You need to go talk to him.

SANDRA

Mom, what is going on?

JOYCE

Please get out of the car Sandra.

SANDRA

Mom.

JOYCE

Just get out of the damned car!

SANDRA

Okay.

JOYCE

I'll come get you later tonight.

SANDRA

What time?

JOYCE

I don't know. Please. Just. Get. Out of the car.
